Hello Gambier Bay Family!

What a great time we had in New Orleans at our USS Gambier Bay/USS Kitkun Bay reunion. We had a great time reconnecting with our survivors, friends, and family. This year we had quite a few family members for the first time!

Our excursion this year took us to the World War II museum and it was such a wonderful experience to be able to have the time to tour all the museum has to offer – we spent the whole day there.

I am so excited to announce that our 2017 reunion will be October 19 – 23 in Seattle, Washington, and will again be joint with the USS Kitkun Bay. We will be staying at the DoubleTree Suites by Hilton Seattle Airport Southcenter. We are in the final stages securing all the details for our memorial service, banquet, and excursions. Please mark your calendars for the reunion dates!

We are working on new information on our website. We now have the black background restored and it is amazing at how GREAT it looks. We still have some tweaks to finish and are always looking for new information, stories, photos. If you have any information, stories or photos you would like to share, please send to me at pk_grond@yahoo.com / if you have any questions on your submittals, just let me know.

SECOND AND THIRD GENERATION FAMILY MEMBERS AND FRIENDS – Please help support the Association with purchases from our ships store and membership. Enclosed you will find an order form for all of our great merchandise in our ships store and also a membership application. A lifetime membership is \$100 or you join on a yearly basis for \$15/year. This money goes towards us printing our Newsletter 4 times a year.

Thank you for continuing to support the Association. Our mission and goal is to continue to honor, recognize, and keep the memory alive of all who served on the USS Gambier Bay/VC-10.

I look forward to seeing everyone in 2017 in Seattle.

Hi Ms. Hughes,

My name is Jackie Clifford and my grandfather was on the USS Gambier Bay. My grandmother gave me your contact information because I'm writing a piece on the ship and she thought you may be able to answer some of my questions.

I was wondering if you had any information about how many people were on the ship total and about how many passed on after the ship sank? Let me know if you would be able to help with this project and know this information.

Thanks,

Jackie Clifford

Marlene,

Before I forget to mention it, dad's doing fine. By fine I mean, he's comfortable and seems happy. He is at the point where he remembers practically nothing. It seems the only person he recognizes is me and sometimes that's not for sure. He doesn't even remember his care givers from one minute to the next. Speaking of care givers, they are wonderful. He loves their hugs and kisses. It is so nice to see him smile and laugh with me and his care givers.

There are 3 that are assigned to him and that stays pretty constant regardless of the day or shift. It makes me happy that he's so well taken care of. They keep him really nice and clean, shaved and his clothes are also clean. That's actually better than when he lived by himself!

I have picked up and going to send you some brochures of things to do in Seattle. I'm not sure what Bremerton has to offer but the ferry ride is pretty especially if the weather is nice. However, the Washington State Ferries are

not cruise ships. Brian and I went to Seattle a couple of times in the last few weeks and it's disgusting how dirty the boats are getting.

I didn't find a brochure for Argosy Cruises but check out their web sight. They have several harbour tours that are nice.

Glad to you are at the Southcenter in Seattle for the Reunion.

Keeping in touch, (Glad to hear Fred is doing well- and hopefully we can see him when we come to the reunion next Oct. Jeannette Fred was 95 on August 1st. Give him a kiss and a hug from me.)
